Middlesex County will be receiving \$800,475 from the US Department of Housing and Urban Development under the 2009 American Reinvestment and Recovery Act Homelessness Prevention and Rapid Re-Housing (HPRP) Program.

It is anticipated that these funds will be used to further the County's 10 Year Plan to End Homelessness and to model a Single Point of Entry System in assisting eligible households for HPRP funds. Non-profit agencies that are interested in applying for HPRP funds are invited to attend this workshop. Applications for HPRP funds will not be accepted from any agency that does not send a representative to this workshop.
